This special certificate is issued to commemorate the 50th anniversary of the Tri-State Amateur Radio Society, established in 1947. For fifty years, TARS has advanced the interest of amateur radio operators located in Indiana, Kentucky, Illinois, and across the United States. As an ARRL Special Service Club, TARS sponsors repeaters, classes, VE test sessions, monthly meeting activities, communication assistance to local area functions, RACES events, and other amateur radio volunteer activities. This certificate honors the founding members and all who have maintained the TARS spirit and tradition.
